KMP is Growing Equity Distribution Coverage

Published Budget vs. Actual Coverage

Internally Generated Cash Flow
Available for Reinvestment

Approximate $ Coverage (a)

(a) Approximate coverage is the actual net income before DD&A less sustaining cap ex, divided by the cash required to pay the declared distribution to the LPs and the incentive distribution to the GP.
The Kinder Morgan Strategy

Same Strategy Since Inception

- Focus on stable, fee-based assets which are core to the energy infrastructure of growing markets

- Increase utilization of assets while controlling costs
  - Classic fixed cost businesses with little variable costs
  - Improve productivity to drop all top-line growth to bottom line

- Leverage economies of scale from incremental acquisitions and expansions
  - Reduce needless overhead
  - Apply best practices to core operations

- Maximize benefit of a unique financial structure which fits with strategy
  - MLP avoids double taxation, increasing distributions from high cash flow businesses
  - Strong balance sheet allows flexibility when raising capital for acquisitions / expansions
Management Philosophy

- **Low Cost Asset Operator**
  - Senior management limited to $200,000 per year in base salary
  - No planes, sports tickets, etc.

- **Attention to Detail**
  - Weekly operations and financial assessment
  - Monthly and quarterly earnings
  - Quarterly strategic review

- **Disciplined Capital Allocation**
  - Consistent return hurdles
  - Consistent assumptions
  - Accountability

- **Risk Management**
  - Avoid businesses with direct commodity price exposure where possible
  - Hedge commodity price risk
Management Philosophy (continued)

- **Transparency**
  - Publish budget, compare to actual quarterly results on conference calls
  - Publish detailed information for analyst conference

- **Cash is King**
  - Get the cash! – monthly accounts receivable meetings
  - Return cash to investors; let investor make reinvestment decision

- **Alignment of Incentives**
  - Bonus targets are tied to published budget
  - All employees have equity-based incentives.
  - Rich Kinder owns 20% equity stake in KMI, largest in S&P 500 energy
  - He receives $1 per year in salary, no bonus, no options

- **Business Unit Autonomy**
  - Experienced business unit presidents – 23 years average industry experience
  - Presidents run own businesses
  - Corporate: capital allocation, accountability, common culture, access to capital
